REFURBISHING

SCHOLD OFFERS TWO LEVELS OF REFURBISHING

STAGE 1: THE REHAB

This service includes complete disassembly, cleaning and reassembly, using existing wear parts that pass our Quality Control criteria, as well as new wear parts where needed. The machines are painted OEM color to look professional, with a 90 day factory warranty.

STAGE 2: THE OVERHAUL

This service includes complete disassembly, sand blasting and reassembly, using all new wear parts. The machines are then painted OEM color to look brand new. Includes a six month or 1,000 hour factory warranty, whichever comes first.

Schold can also offer other levels of inspection services, repairs, cleaning, and paint touch-ups. Call today for an estimate.

WHY CHOOSE SCHOLD

A trusted name since 1949, **Schold** has made breakthroughs and improvements, but one thing has held true—we have continually remained a **client-centric solutions provider.** While we offer a variety of standardized machinery models, we will also work with you to design, fabricate and install entirely **customized solutions** based on your application needs. Beyond installation, it is our commitment to provide unparalleled customer service. You can count on **Schold** for more than just reliable equipment, you can count on us to be a **trusted partner to your business.**

BETTER DISPERSIONS.
